

**REGULAR SESSION
RESOLUTION NO. 2016 – 51**

WHEREAS, the CFW is being implemented by the Crisis Intervention Units (CIUs) at the DSWD Central Office (CO) and Field Offices (FOs). The CIYUs provide a range of services, such as immediate rescue, and provision of direct financial assistance, psychosocial support, and material assistance including medical, transportation, financial, burial, and other services;

WHEREAS, Historical data shows there has been increasing number of CFW clients and based on their profile, most of them come from remote areas far from the regional centers where they request and claim the assistance. Hence, there is a need to strengthen and enhance the existing internal delivery system to benefit the poor, marginalized and vulnerable/disadvantaged individuals / families and the need to bring the assistance to clients within their locality;

WHEREAS, fund transfer to LGU is identified as mode of payment to fast track the distribution of cash assistance and the said funds shall be disposed by the LGUs as financial assistance to qualified clients in accordance with applicable DSWD guidelines and rules;

WHEREAS, for justifiable reasons, and as stipulated in MC#2 and MC#15 entitled “Guidelines to Strengthen and Enhance the implementation of the Assistance to Individuals in Crisis Situations,” the Field Office may transfer funds to LGUs, to limit the releases of cash assistance of the Satellite Offices and to more efficiently serve AICS clients;
